STAT 12. [] I delivered to Mr. Robert Michaels, the House Appropriations Committee staff, an unclassified blind memorandum, Subject: Property Acquisition Near CIA Headquarters, " and I discussed the matter with him in some detail. ✓

Mr. Michaels requested guidance as to whether the Agency or DIA might best provide copies of the Cuban U-2 photography for review by Representative George H. Mahon (D., Texas). It was suggested to Mr. Michaels that in this instance it would be appreciated if he levered his request on DIA. Mr. Michaels indicated he would be most happy to do so.
